Message from Tora:

Damn, those kids are annoying. Thank you Akuto for speaking my mind

On another note: The next few chapters aren't ready yet (cleans, typeset, proofreading, redraws). And in two weeks, I'm finally moving across the country p(^o^)q. So it's going to be a while until another update.

Enjoy and look forward to the next update!

"UNTIL THE TWO OF YOU RETURN TO THE UPPER WORLD, YOU MUST NOT LOOK BACK AT YOUR WIFE___."

Despite being a god, his willpower is weak.
Even though he could have brought his deceased wife back from the dead if he kept his promise. It's a story about a man who lost to doubt
